

Moon 2nd Qtr. Ceremony 6-21-10

(Cast Circle)

Circle:

*Dragons both wondrous and wise
Of Earth, Water, Fire and Sky
Bring us your love, knowledge and wisdom
Of this multiverse we exist in
Sun that gives us vitality to accomplish our goals
Moon that nurtures and sustains and heals us*

Circle:

*Within this secret place, hidden from the world
Outside of time and free from the control of man
With dragon magic at hand, we do begin
To worship in this sacred place once again
We greet the Lord and Lady and accept their blessings*

Eastern Corner:

We summon you Sairys and guardians of the Eastern corner

Circle:

*To guard and protect this sacred circle, we are responsible for our
minds and the nutrition it needs. May our minds attract lofty
thoughts that fill our heart with joy and humor*

Southern Corner:

We summon you Fafnir and guardians of the Southern corner

Circle:

*To guard and protect this sacred Circle, grant us vitality and good
health, Inspire us with the lord's wisdom and his love for our
earth mother, may we learn not to harm all living creatures of the
earth*

Western Corner:

We summon you Naelyon and guardians of the Western corner

Circle:

*To guard and protect this sacred Circle, may our Earth Mother
bless us with her living waters that flows down the brooks and
streams bringing us joy and laughter*

Northern Corner:

We summon you Grail and guardians of the Northern corners

Circle:

*To guard and protect this sacred Circle, Show us opportunities to
prosper and teach us personal responsibility for ourselves,
employers, community and the children we create*

Circle Chant: (3 times)

*O great dragons, wondrous, wise
Powers of Water, Earth, Fire and Skies
Light and darkness, join us here
To sweep this space all clean and clear
Away with evil, in with right
Dragons of darkness and of light
Elementals, strong and bold,
Restore the balance, dragons bold*

Men:

*I am the Lord of thunder respecting all divine law
I am the same power that gives life to the sun
I build temples in honor of the Goddess
My knowledge and wisdom I use to serve her
I am the consort of the Goddess the mother
My wisdom comes from the crone
Her gifts and lessons are many
I am a warrior of good health, and a healer for my community.*

Woman:

*I am the maiden; I bring justice against those whom harm us
I am the mother; I nurture and provide for my children
I provide the water and honey to end thirst and hunger
I am the crone; my path is of knowledge and wisdom
I am the Triple Goddess; she lives, breathes and exists in me
My body is the temple of the Goddess
Nutrition and good health is my responsibility*

(Server) Sets salt than water on pentagram for consecration

Priestess:

May the blessing of the Goddess be upon this salt

Circle:

*May the salt of the earth dissolve our negative experiences
returning us to a state of joy and livingness. We honor Athena
our mother of compassion and healing, through her we learn
responsibility*

Priestess:

May the blessing of the Goddess be upon this water

Circle:

*May her flowing waters bring us both self realization and love
consciousness. May the Goddess Diana give us strength and
inspiration to change and become good examples of healthy
living*

(Sever) (Anoint corners)

Circle:

*One for the Maiden, free as the air;
One for the Mother, lovely and fair;
One for the Wise one, in her dark hall;
Hearken. Great Ladies! Listen to our call*

Women:

We are the fire that brings warmth,

We are the water that quenches your thirst.

We are the inspiration so men can achieve great works.

Diana is our source of perpetual love and strength

(Server) Sets charcoal than incense on pentagram for consecration
